The Chateau at Ramsay's Run Community Officially Begins Construction for Phase 1 Homes

Cape Girardeau, MO

Cape Retirement Community, Inc. is proud to announce the launch of Phase 1 construction at The Chateau at Ramsay's Run. With this expansion of The Chateau Girardeau community, The Chateau at Ramsay's Run will offer beautiful homes inspired by the Scottish heritage of the property. The Chateau Girardeau is known for being the premier retirement community in the region, offering a maintenance-free lifestyle with the security offered by a Continuing Care Retirement Community.

The Chateau at Ramsay's Run is located on Bloomfield Road in Cape Girardeau, giving future residents easy access to Interstate 55 as well as the top-ranked medical care and countless recreational and entertainment options available in Southeast Missouri.

Ramsay's Run residents will enjoy access to award-winning health and wellness services and a full spectrum of senior care from the region's only accredited retirement community.

For the first phase, future residents will be able to choose from several floor plans ranging from approximately 1700 s.f. to 2000 s.f. as well as other personalization options. They will also enjoy the premier experience offered by The Chateau including shared amenities such as dining and fitness activities. Maintenance-free services will include lawn care and landscaping, snow removal, housekeeping services, and much more.

Keith Boeller, President & CEO of Cape Retirement Community expressed his excitement around this project, "As a culmination of many years of due diligence, research and study, we are pleased to announce this project as a milestone in the long history of Cape Retirement Community."
